Future events- looking into a spring competition at Martinsburg HS for show choir and Concert choir
For our spring trip, concert choir is expecting to go.

Drama - shared by Mr. Moore for Ms. Baker

- Advanced Theater class is putting on "12 Angry Jurors" Oct. 5, 6
- "Into the Woods" is on November 15th, 16th and 17th spring show - expected to be "Footloose" Advanced Theater class will put on "Fame" in the future. Budget still needed for drama

Band - Mr. Rumpf

Mr. Rumpf shared his Monday presentation (done after a competition). This showed how the band set goals and helped focus on what is needed in order to continue to grow as a musicians

8th grade is coming to Friday's football game to play with the band.

Pizza will be provided for the students and the staff

Proposing to have the 8th grade join us on a competition - probably Brunswick's competition - to get a fee! for what it is like. This is still in the works.

The equipment stands came in for the drumline. Students did do a car wash.

They raised \$516.00. \$560.00 is still needed to pay the total bill.

Voted to go ahead and purchase the stands with the understanding that the drumline will try one more fundraising to try to raise the rest of the cost. 1st - Lorraine, 2nd - Dawn

Fundraising -

Raffle: 410 tickets were sold. Ending profit will be determined on who wins. Raffle will be done again in the spring for the concert band fundraising

Holland Bulbs: voted to move to the spring as a fundraiser 1st - Beth, 2nd - Noreen

Sub Sales - Lora Howard

Order forms are on the THSPAB.org website: titansubsales@comcast.net

Our first sub sale forms are due 10/15 with online orders due 10/16. Checks should be made payable to THSPAB

Help is needed to make subs on Oct. 25th 4-7pm

Thanks to Peg Kase from Liganore HS for helping us get started and organized to begin this fundraiser.

Fundraising - \$1.00 goes into personal account for each sub sold

Question raised: what will happen to an account if a student earns money and then takes a year or two off from the performing arts? Will they keep their account? Martina will check on non-profit regulations before bringing it before the board to determine what will happen. The group consensus is to let that student be able to keep their personal account until graduating. At that point, if not used, it goes into the group account for that program.

Giannis - Lorraine

Forms passed out October 15th.

Forms due November 1st.

November 15th - pick up the pizzas (same time and place as the subs for sub sale)

The profit will go into separate group accounts

Keys - Beth McFarland

Still need to receive money from the Keys for working the Cafe. Check has been promised by the end of October. If not received, Martina will follow-up.

For future possibility of the Keys:

NEEDED: at least 6 adults guaranteeing to work / lead 20 games to keep the Grill stand

A smaller stand is not worth the effort - since it will raise far less money for the same number of games worked.

IF no Keys - we need to focus seriously on a way to raise the \$30,000+ that was raised by the Keys to continue to support our performing arts programs.

Upcoming fundraising -

Dawn shared the "Greater Frederick, Enjoy the City" books. Each book costs \$20, with approx. \$8 profit Lorraine will give Martina information on ordering

Teresa Sounders will lead this fundraiser. Beth will create the flyer with details.

WEBSITE- Nancy Caraker

Rick Eaton - has limited tickets for upcoming shows - see him for tickets soon if you want them!
